5.     "narrative": "It has been reported that food or cosmetics sometimes
       attract hungry black bears, causing them to viciously attack humans.
       Relevant documents would include the aforementioned causes as well
       as speculation preferably from the scientific community as to other
       possible causes of vicious attacks by black bears. A relevant
       document would also detail steps taken or new methods devised by
       wildlife officials to control and/or modify the savageness of the
       black bear."
